This enormous family home is ideal for those seeking a solid and comfortable home in a very sought-after and convenient location. Resplendent of an era where they built quality homes with multiple rooms, this much loved home is regrettably on the market as the sellers are downsizing.

Offering almost 40 squares of living, this includes a teenager's retreat/downstairs living/gym or potentially a dual living option, there's also 5 bedrooms and 2 more bedrooms which just fall under legal height, owing to the sloping roof in the castle turrets!

- 5 bedrooms ? 4 of them are very large...
